

# Responsible Officer Outsourcing

A full-service agency  
for Designated Bodies

MSU offers quality assured packages to organisations looking to outsource Responsible Officer services and we are keen to establish lasting and transparent relationships with you.

## Why choose Medical Support Union?

Small healthcare provider organisations that are Designated Bodies, but lack resource and experience in fulfilling their statutory obligations, may feel ill-equipped to appraise doctors and recommend their revalidation. With its advanced e-Platform with RO Dashboard system and fully trained and up-to-date Responsible Officers, Medical Support Union offers designated bodies the opportunity to achieve higher standards in their appraisal and revalidation processes in line with the General Medical Council's guidelines.

## We offer the following:

- ✓ Experienced and highly trained ROs
- ✓ e-Platform with RO Dashboard delivering increased efficiency
- ✓ Robust and well-trained professional admin team
- ✓ Access to a nationwide network of experienced appraisers
- ✓ Diligent, approachable and affable support
- ✓ Committed to achieving highest standards of service
- ✓ Offering *Suitable Person* connection and *Direct Submission* to the GMC

Special introductory launch tariff for designated bodies that want to achieve quality and clinical excellent within budgetary constraints.

Our industry knowledge and expertise, and uncompromising commitment to quality makes us the first choice for Designated Bodies seeking to outsource their statutory RO obligations
