About Medical Support Union

MSU is an independent, innovative and creative organisation of medical professionals, based in the UK, and aims at supporting medical professionals in the United Kingdom, Europe and around the world.

Our Sponsors

We welcome the support and contribution of our specialist partners. To partner with MSU, please contact us at admin@msu.co.uk.

Medical Support Union offers a full range of nationwide outsourced appraisal and revalidation support. MUS was established to offer support and guidance to doctors, making the process of revalidation easy to manage. Additionally MSU produces healthcare conferences with a specialist interest to its clinical audience. Our events support knowledge sharing, professional development and take a practical approach to learning through case-study based best practice.
